OUR

BRANDS

Camille Becht
Votre partenaire Soin & Bien-être

The **Camille Becht** brand was born from the desire to combine the art of skincare with ingredients sourced from the founder's native region. Each product is crafted using natural active ingredients and essences whose virtues have been known since ancient times. This strong regional anchoring allows the range to comply with ECOCERT standards. The result is a product line that is healthy, effective, and safe, blending tradition with modernity.

Phytodia

The "Nature is Future" range by Laboratoires **Phytodia**, plant experts, specializes in the research and development of botanical extracts. These natural active ingredients are used in the formulation of organic, natural, and effective cosmetic products, enriched with plant extracts sourced from the Vosges and Alsace regions.

Our **Wellness SPA Area**, a cocoon of serenity nestled among the vineyards, is the ideal place for a moment of relaxation. After a long journey or a busy workday, take time to unwind in a Zen-like atmosphere.
